7 Night Canada New England Cruise

June 8th-15th 2019

Happy holidays to all! It's hard to believe the season is upon us, though winter is certainly here and shows no signs of letting up. I hope you received a Smile Box invitation to our ***Dream Weaver Holiday Gathering at the Barnsider Smoke House Restaurant in Lake George on Thursday December 13th. A cruise presentation with Yankee Trails will take place at 3pm with holiday cheer to follow.*** I hope you can make one or both! I put them together on one day for convenience sake at this busy time of year. ***Please RSVP if you plan to attend either, so that we can be properly prepared.*** Friends are welcome!

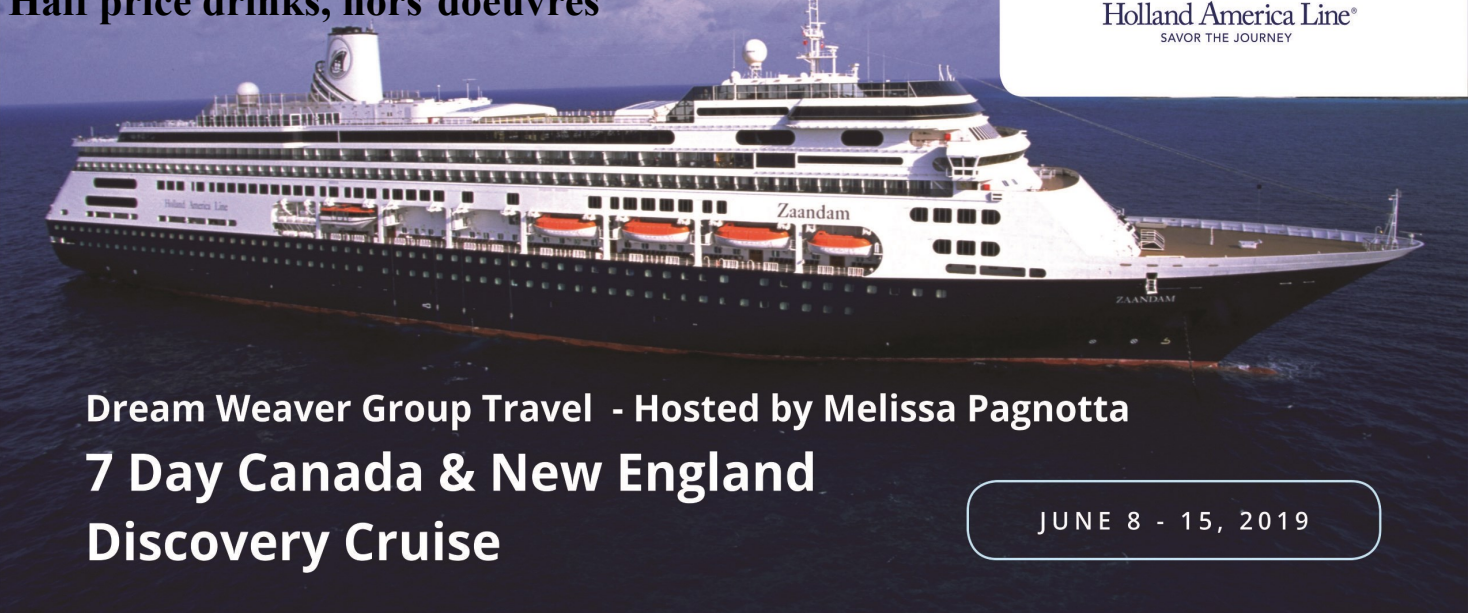

After compiling all your surveys, I decided in addition to Spain, a seven night Canada & New England cruise would be a great fit for Club Dream Weaver to be offered June 8th – 15th 2019 aboard Holland America's Zaandam. It is a wonderful trip, having done a good portion of it in the past. The extra bonus is sailing on the Saint Lawrence Seaway to Quebec City and Montreal where we debark. Traveling in one direction from Boston to Montreal affords you the time to see more! Designed to carry fewer guests (1432 passenger capacity) while offering greater space, The Zaandam is elegant, comfortable and offers all the amenities of a larger ship without the crowds. While on board, enjoy cooking shows and hands-on workshops from America's Test Kitchen, rejuvenate at the Greenhouse Spa or take in some lively evening entertainment.

Transportation is included from here to Boston and home from Montreal and includes a guided tour and lunch on your own in Montreal once we arrive. The cost of the trip including all port charges and transportation is \$1599 pp dbl for an inside cabin, \$1899 pp dbl for an ocean view and \$2999 pp dbl for a veranda suite. Singles are also available for a price quote. A deposit of \$350 per person and optional travel insurance (based on the cost of your cabin) are due by January 4th.

Please spread the word and feel free to call me at (518)668-2764 for further information or to RSVP. ***It is not too late to join our 11 day tour to Spain, May 18th - 28th 2019 with Collette*** which is sure to impress with it's lively culture, beautiful weather, fascinating history, architecture, great food and wine. Hope to see you all soon!

Melissa's Tour of Greece

What an amazingly beautiful country Greece is! I was fortunate to be able to visit on one of Collette's familiarization tours at the end of October to get a first hand experience of what Greece is all about in order to possibly take a group there one day. I had dreamed of going there since I was a teenager. It did not disappoint. In fact it was so much more than I had envisioned. Of course the islands are beautiful with white cube style homes trimmed in blue on the hillsides or perched along the caldera rim, as in Oia Santorini.

I have to say Mykonos was my favorite island due to its quaint waterfront with winding streets and windmills. It somehow felt a little less touristy, although in reality that is their main source of income. We found the Greek people to be so friendly and welcoming. What really grabbed my attention however were the dramatic mountain vistas as we traveled north to Kalambaka, visiting the Meteora monasteries high atop sandstone monoliths. Hard to imagine the monumental task it was to build them back in the 10th century by hauling up materials and people in rope cinch sacks. A mode of transportation now currently banned, not surprisingly. The scenery was simply gorgeous in every direction. It was intriguing to visit sights of such biblical and historical significance such as Ephesus in Turkey as well as Corinth and Delphi in Greece (considered the naval of the world, where pilgrims came from all over to consult its mysterious oracle). It literally gave me the goosebumps to think of all the history that took place right there at our feet. We stood at the altar where Paul the apostle addressed the crowds in Corinth. Although a bit leery of venturing into Turkey considering the times, it was no problem whatsoever. It turned out to be a fascinating visit to Kusadasi and the ruins of Ephesus where Paul spent three years during his ministry. We also visited the House of Mary where she is said to have spent her last days.

I found blogging while on the move in Greece to be a challenge along with less than desirable WIFI so here are my impressions instead...

Visit to Greece continued...

We had an outstanding guide who painted the picture of busy market place stalls, chariot races and the delivery of Paul's famous epistle. It's amazing how much of the ruins are still standing after all these years.

Our tour manager Heather Larsen, from Colorado Springs spoke fluent Greek and has spent many years living and working as a tour guide in Greece. She was a wealth of knowledge, weaving together the history, mythology, customs and superstitions of it's people.

I would highly recommend this as a destination, however there was a lot of walking involved in order to see the sights which might be a consideration for some. I will certainly have my eye out for the right itinerary that might be a good fit for Dream Weavers!
